Introduction to Metalsmithing & Jewelry II / Monika Ruiz

Class Description:

**This class is for students who have previously registered for an Intro to Jewelry or Metalsmithing class or have previous jewelry experience. A requirement, you must be comfortable with basic jewelry making skills: sawing, annealing, filing, soldering, and basic shaping.*

This class will focus on cabochon setting. We will practice multiple kinds of setting styles, starting with the simplest and progressing to more advanced styles.

SUPPLIES:

- 1 – 2 oval/round cabochon stones (minimum 1 cm)
- 1 – 2 rectangular or square cabochon stones
- 14-gauge sterling silver sheet, around 1" x 6"
- 14- or 16-gauge copper sheet, 6" x 6"
- 14- or 16-gauge brass sheet, 6" x 6"

Additional materials may need to be purchased. The instructor will consult with you to identify the appropriate materials for your project.
